FREE MATHS IN STEVENAGE & BEDFORDSHIRE

SPS TRAINING SOLUTIONS LTD

Free training and qualifications up to and including level 2

- Achieve Maths minimum required for further education
- Improve your chances of finding a job
- Gain a nationally recognised qualification
- Achieving a level 2 is the equivalent of a GCSE A- C/4-9

The interactive learning activities are topical and informative, helping you engage with material related to everyday life.

Each course is divided into manageable chunks of learning with activities leading to certified qualifications.

Test your knowledge and learning with quizzes in each unit to build your confidence and gain qualifications.

Friendly staff tailor the course around your individual needs and type of qualification you want to receive.

A Functional Skills Maths qualification help with career and academic progression

Whole Number
Understand the principles of calculating using numbers

Handling data
Read to accurately interpret graphs, charts, and other data sets

Measure and Shape
Competently measure and understand shapes in everyday life

Fractions & Percentages
Understand fractions and percentages to help in everyday life
